Dear Members:

The Northern California Quilt Council publishes this e-mail newsletter quarterly for our members. Information from the newsletter can also be found on our website: ncqc.net. Our goal is to provide you with guild, shop, teacher and individual quilt-related information. We coordinate a master calendar of quilting events in the Northern California area and provide a forum for discussing common concerns and new ideas.

• Quilters on the Go

Where to go for retreats and classes for you and your guild....Find out how, when and where at our October meeting. And if you've been to a special quilting event, please be prepared to share that information with others at the meeting.

Plus, NCQC is celebrating its silver anniversary! Come join us for a big surprise party with food and drink (morning fare, of course) and a gift for each attendee! We're looking forward to the fun on October 19, 2005 in Pleasant Hill at 10:30am.

• Meet the Teachers Coming in January

The first 2006 Meet the Teachers Program will be January 18th. This is an event in which 30 teachers have a short time to tell us what they teach and show us some of their samples. It is a great time for Program Chairs to fill the calendar for the next year with talented, fun teachers.

Any Teacher NOT a current member of NCQC should contact me to be mailed an application. Any teacher currently a member, and on our current teacher list, will automatically be mailed an application. All applications will be mailed to teachers in late October, to be returned to me by December 15th. The first 30 teachers with complete applications will be scheduled for January, unless they prefer the July 19th program. The second 30 will be scheduled for July. Letters of acceptance for both programs will be sent during the week after December 15, 2005.

• NCQC Seeks Members for Programs

In an effort to offer opportunities to our members, and expand the expertise available to all members, NCQC is looking for members to propose programs to present at the Spring or Fall NCQC meetings. Guilds may enjoy putting together an event that shares what has made the guild successful, or individuals may have ideas for informative programs that we haven't thought of. So, write a brief proposal, and send it to us. We are excited about the prospects!

Send your proposal to any board member or to ntiffany@sbcglobal.net.
